San Diego, April 20, 2012 : Five Star Tours & Charter Bus Company, a local tour operator in San Diego, will open its product line by offering a wide range of unique “ city tours” and “theme park tours” on May 10, 2012 that will create an unforgettable experience to our customers. Our new tours will focus on offering a unique visitor experience that will offer an interactive, learning and fun way to discover America’s Finest City. Tours offer are City Tours- Heart of SoCal, Beach and Surf Tour, San Diego Zoo, Safari Park, Legoland Tours and more. These tours will be offer to all ages and will include a take home present with them so they can take San Diego with them.

“Our tours will open new adventures and will have our customers learning new ways of discovering our city” states Yolanda M. Hernandez, President of Five Star Tours. “We are delighted to be opening our new tour division and giving our visitors and locals an opportunity to learn about San Diego history, culture and most importantly what its citizens are all about”. Five Star Tours will have various pick up points throughout Central San Diego. Based in the heart of San Diego, the Santa Fe Train Station, we will have easy access for all our customers.

Five Star Tours will organize an Open House for its partners on Tuesday, May 15 in our brand new designed office to offer an opportunity to learn about our operation. We will be thrilled to present our new product line and our numerous others great offers to accommodate all our clients’ needs.
